Father's Day Matching Game Cards.♪

♪

Print out on cardstock for durability. You could also laminate after cutting out if you want them to last longer.♪

♪

You can add the red striped background to the back of the cards so that the picture cannot be seen through the paper.♪

♪

Turn the cards over so the pictures are face down.♪

Turn one card over and then another to see if they match. If they do, put them to one side. If they don't turn the back over and try again.♪
